

JEFF SLAWSON

9410 SW 212 Terr Cutler Bay, FL/ Living on FAU campus in Boca Raton | jslawson2016@fau.edu | 305-205-6968

OBJECTIVE | To gather as much experience and knowledge as possible in the field of engineering by obtaining a job or internship in order to ensure my success in the industry.

EDUCATION | **FLORIDA ATLANTIC UNIVERSITY, BOCA RATON**
BACHELORS IN ELECTRICAL ENGINEERING,
EXPECTED GRADUATION 2021

GPA: 3.2

Engineering Coursework: Fundamentals of Engineering, Intro to C Programming, Intro to Logic Design, Intro to Microprocessors, Foundations of Computer Science

SKILLS & ABILITIES

Experience soldering both at home and in engineering labs.

Able to read simple electronic schematics and diagrams and identify basic component symbols

Completed Logic Design assignments by creating basic logic schematics and waveform simulations using Quartus

Able to create basic programs in the C and C++ programming language

EXPERIENCE | **OWL TV**
Engineer

AUGUST 2018 – PRESENT

Manage any problems or issues with the computers

Fix any electronics in the station that need to be fixed.

In charge of the server room and making sure everything is running smoothly and connected

CLUBS | **MARINE ROBOTICS CLUB**

Electrical

AUGUST 2018 – PRESENT
